

AL-OFFICE® NY

A LÄNGLE PRODUCT

Introducing a new system :: New Horizons - our newly designed glass partition wall system AL-Office New York.

Längle

Glas Befestigungs Systeme
Glass-Fastening-Systems

♦♦ UNBEATABLE FACTS

This new system is based on the Office XL system and integrates all its advantages.

- ♦ The specially developed adapter profile Frame Plus XL allows various glass thicknesses from 8 to 28 mm.
- ♦ Other materials with thicknesses of 8 to 28 mm can also be integrated in the system.
- ♦ Vertical and horizontal rungs can be positioned as needed.
- ♦ The AL-Office XL frame system can be integrated easily into the system.
- ♦ Simple Plug&Play solution.
- ♦ The system is installed without notches. Therefore no special mounting technical skills are required, nor special tools are needed.
- ♦ The entire system is screwed in and dry-glazed.
- ♦ All profile connections with standard-angle connector are from the AL-Office series.

NEW:
Assembly instructions now also on our YouTube channel.
